# WELCOME TO THE HIGH COUNTRY INN

*We hope you enjoy your experience here—as it is more than just a meal. We take the extra steps to make sure that each creation is as perfect as it can possibly be. This means we put in extra hours to make most every component within each dish entirely from scratch. We also source as many fresh, high-quality, and local ingredients as we possibly can from farmers, bakers, roasters, and mallow-makers who care about their craft as much as we do!*

*With all the love of food,  
Chef TJ + Maggie*
